

Creating Instructional Groups

- Log-in to Ren Learn
 - URL: <https://hosted313.renlearn.com/282313> or <http://goo.gl/XgLFbn>
 - Username: Firstname.Lastname
 - Password: wccusd1
- Select **STAR Reading (Reading Assessments)** or **STAR Early Literacy (Early Literacy Assessments)**, then **Reports**.
- Select **Instructional Planning – Class** on the Select Report page.
- The image below shows the data that will be used to create the report. You can change the data that will be used by choosing some preliminary options:
 - Enter a **Testing End Date** – note that scores will be shown for any test taken up to 30 days before the chosen date.
 - Change the number of **Instructional Groups** by using the drop-down list at the top of the table.
 - Assign students to an instructional group by selecting the circle at the intersection of a row with the student’s name and the column for a group.
 - Click **Preview Report** to view your initial report or **Next** if you are finished and ready to choose additional options.

The screenshot displays the 'Instructional Report Group' interface. On the left, the 'Instructional Planning' sidebar is visible. The main area shows filters for 'School' (Hickman, 2010 - 2011), 'Benchmark' (Legend), and 'Testing End Date' (1/24/2011). A table of students is shown with columns for 'Instructional Groups' (set to 4) and 'Scaled Score'. A 'Preview Report' button is visible at the bottom right. Red circles and arrows highlight specific elements: 'Include STAR Reading Enterprise Test' (A), 'Preview Report' (B), a student's group selection circle (C), and the 'Preview Report' button (D).

HINT: Print out the PDF of this report to have next to you when you are planning for small group instruction or searching for instructional resources in Ren Learn’s [Core Progress Learning Progressions](#) bank of resources.
