

Thank you for choosing a career in education. While it's personally rewarding, it's also professionally demanding. That's why NEA, CTA and your local association will provide you the support you need to be great at what you do. Being a member connects you with other educators. Together, we've been the most powerful voice for students and public education in California since 1863. And together, we still are.

Although the NEA Fund requests an annual contribution of \$50, this is only a suggestion. A member may contribute more or less than the suggested amount, or may contribute nothing at all, without it affecting his or her membership status, rights or benefits in NEA or any of its affiliates. CALIFORNIA TEACHERS ASSOCIATION

Welcome to CTA!

We are so happy to welcome you to your local chapter, the California Teachers Association, and the National Education Association. Whether you are new to the profession, new to the district, or just new to CTA, we want you to know that we are here to support you and empower you to be the best educator and advocate you can be. While education is a calling, it's also a vital job and a rewarding career, and when we all work together in union, we build a stronger profession.

It's our union and our voice that ensures every student in California gets the public education they deserve, regardless of ZIP code. That's why CTA supports and advocates for the educators who are nurturing tomorrow's inventors, thinkers, artists and leaders.

With CTA, you'll never be on your own. There's always a fellow member not far away who is willing to give a helping hand, some sage advice, or a shoulder when you need it.

Be sure to visit our websites regularly to learn about happenings locally and statewide, and check your home email for important messages and involvement opportunities. Visit www.CTA.org to learn about statewide activities, resources available to members, professional development opportunities and incentive grants for members to attend CTA conferences.
