Children and adults with disabilities, (birth to 22 years) who meet special education eligibility are entitled to a public education, appropriate to their needs, at no cost.

#### @YUgh`FYghf]Wh]jY`9bj]fcbaYbh` fl@F9Ł

Each public agency must ensure that, to the maximum extent appropriate, children with disabilities are educated with their non-disabled peers.

#### Gi dd`Ya YbhUfm`5]Xg`UbX`GYfj]WYg` fIFY`UhYX`GYfj]WYgŁ

Children with disabilities must be provided supplemental aids, services, and other supports to enable each child to be educated with nondisabled peers to the maximum extent possible.

#### 5ggYgga Ybh

With parental consent, an assessment must be completed to determine the needs of a child in all areas related to his or her suspected disabilities. After initial eligibility, assessment must be completed at least every three years to determine continued eligibility and need for services.

# DfcWYXifU`GUZY[iUfXg

Individuals with disabilities and their parents have certain protections provided by the Individuals with Disabilities Education Act. These protections included rights related to the assessment process and development of the Individualized Education Plan as well as certain procedures and timelines that must be followed.

# H\Y`=bX]j]XiU`]nYX``` 9XiWUh]cb`D`Ub

Each student found eligible for special education receives an Individualized Education Plan, prepared annually by a team

that includes the parent or guardian, the special education teacher, administrator and any specialists who work with the child.

The information in the IEP is determined by present levels of performance as determined by assessing each student.

#### ····H\Y`=9D`U`gc`]bWi XYg.

Annual measurable goals written to address areas of need.

Necessary classroom or testing accommodations or modifications.

Supplementary aides and services.

Types and duration of related services.

Special factors that impact learning.

Transition Plan for students turning 16.

Parent concerns.
