II. Discussion Items

A. Board Policy on Campaign Contribution Limits for School Board Elections

At the June 13, 2016 meeting of the Governance Subcommittee, the members heard a report from Lozano Smith attorney Harold Freiman on "Campaign Contributions and Expenditure Limits."

After hearing from the public and discussion, the Committee members agreed to bring the item back for a final discussion even though the members could not agree on whether to move a proposal for policy on the Board. Among the areas that Chair Cuevas believes need further exploration are:

- a. Developing a list of the issues that policy would address involving raising funds for Board elections;
- b. The need to restore trust in the Board of Education and how a campaign contribution limit would affect that.

*Members of the public may speak on individual items of interest in the agenda as the items are discussed.*
