Approved January 2015 by Elizabeth MontesNation - Coordinator, Disaster Preparedness and Safety

Safety issues are discussed by the School Safety Committee. Safety procedures are disseminated at staff meetings, SSC meetings, Back to School Night, Open House, and in the monthly calendar. All staff members keep a procedural binder in which copies of information regarding safety procedures are stored. Students and school community have daily reminders about safety in the morning announcements over the school intercom. Fire drills are held monthly and the shelter in place drill is held once a year.

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.
