**Annual Budget and Service Plan – Steve Collins**

The 2017-18 Annual Service and Budget Plan will be presented to the School Board on May 24, 2017 for approval. Attached you will find a copy of the Service Plan and Budget Plan which are a part of the Special Education Local Plan.

Below is the law that requires each SELPA to develop an Annual Service and Budget Plan and present both at a Public Hearing.

California *Education Code* requires the submission of Annual Budget and Service Plans that are adopted at public hearings he

Each SELPA will adopt the Annual Budget Plan according to the governance and policymaking process established in their local plan. The completion of the process will be documented by evidence that a SELPA-level public hearing has been held to adopt the Annual Budget Plan.

The Annual Budget Plan may be revised during any fiscal year.

The Annual Budget Plan shall identify expected expenditures for all items required by this part, which shall include, but not be limited to, the following:

- (A) Funds received in accordance with Chapter 7.2 (State/Federal Funding)
- (B) Administrative costs of the plan
- (C) Special education services to pupils with severe disabilities and low-incidence disabilities
- (D) Special education services to pupils with non-severe disabilities
- (E) Supplemental aids and services to meet the individual needs of pupils placed in regular education classrooms and environments
- (F) Regionalized operations and services and direct instructional support by program specialists.
- (G) The use of property taxes allocated to the SELPA.

2. Hold a SELPA-level Public Hearing to Adopt the Annual Budget Plan

Notice of the SELPA-level public hearing shall be posted in each school at least 15 days prior to the public hearing. A copy of the Public Hearing Notice must be submitted with the Annual Budget Plan.

Annual Service Plan Requirement

Each SELPA Local Plan requires a service plan component to be developed/updated annually. The Annual Service Plan for the 2017–18 school year is due to the CDE on or before June 30, 2017.

1. Develop or Revise the Annual Service Plan

Each SELPA will develop and adopt the Annual Service Plan according to the governance and policymaking process established in their local plan. The completion of the process will be documented by evidence that a SELPA-level public hearing has been held to adopt the Annual Service Plan.

2. Description of Services

Nature of Services: Describe the full continuum of service options to be provided within the SELPA assuring access to appropriate instruction and services for all students with disabilities from birth to twenty-two years of age, including children with low-incidence disabilities.

Physical Location of Services: The Physical Location of Services Plan may be printed from the CASEMIS system as a report, using December 2016 data, and adjusted for any foreseeable changes. (See instructions for printing the CASEMIS report on page 4 of these instructions.)

3. Hold a SELPA-level Public Hearing to Adopt the Annual Service Plan

Notice of the SELPA-level public hearing shall be posted in each school district at least 15 days prior to the public hearing. A copy of the Public Hearing Notice must be submitted with the Annual Service Plan.

**Local Indicators for Local Control Accountability Plan – Nia Rashidchi**

The new California Department of Education’s (CDE) California Accountability System reports on state indicators, and requires districts to report on local indicators. Unlike the color-coded state indicator performance levels, local indicators are rated as *Met*, *Not Met*, or *Not Met for Two or More Years*. Districts determine whether they have *Met*, *Not Met*, or *Not Met for Two or More Years* for each applicable local performance indicator. Districts make this determination by using self-reflection tools included in the evaluation rubrics, which will allow them to measure and report their progress through the California School Dashboard.

West Contra Costa Unified School District  
*Office of the Superintendent*

According to the [regulations set by the CDE](#), four indicators may be added to the CA School Dashboard: Basic Services, Implementation of State Academic Standards, Parent Engagement, and School Climate. Below is a summary of each indicator and the analysis required by the State. View the CDE's Quick Reference Guide to Local Indicators for additional information at [www.cde.ca.gov/ta/ac/cm/documents/localindicatorsquickref.pdf](http://www.cde.ca.gov/ta/ac/cm/documents/localindicatorsquickref.pdf)

Priority 1: Basic Services

Use locally available information, including data from the CDE's School Accountability Report Card (SARC), to measure progress and respond to the three prompts in the self-reflection tool included in the Dashboard:

- Teacher misassignments
- Student access to instructional material
- Condni(n)2 (a)6 (lto)2 ()2 (ae)6 ( to)2 iol

## SERVICE PLAN

### INTRODUCTION

West Contra Costa Unified School District (WCCUSD) is a single district Special Education Local Plan Area (SELPA) and as such, provides a comprehensive range of program options and related services to students residing in the WCCUSD attendance area. As required by AB602, the Special Education Funding Reform Act of 1997, and the requirements of the Local Plan to provide a complete description of all programs and services provided to WCCUSD special education students, this Service Plan has been prepared.

AB602 requires the following:

*<sup>1</sup> The Annual Service Plan shall include a description of services to be provided by each district and county office, including the nature of the services and the location at which the services will be provided, including alternative schools, charter schools, opportunity school and classes, community day schools operated by county offices of education, and juvenile court schools regardless of whether the district or county office of education is participating in the local plan. This description shall demonstrate that all individuals with exceptional needs shall have access to services and instruction appropriate to meet their needs as specified in their individualized education programs.*

The following pages include the descriptions of the services as provided by the California Department of Education CASEMIS system, and a description of specialized services unique to West Contra Costa SELPA. A description of the current location of the various services is now provided separately via the WCCUSD CASEMIS program.
