

West Contra Costa Unified School District
Office of the Superintendent

May 6: Board of Education meetings via video conference/teleconference, 4:30 PM

West Contra Costa Unified School District
Office of the Superintendent

We are updating the Organizational chart and job descriptions based upon feedback from the last board meeting. The reporting has been adjusted as requested and changed for General Counsel, Lead Internal Auditor and the connected descriptions. Position Control will be housed in HR and coordinate work with Business. In respect to minimum qualifications we believe that it is important that there is some level of flexibility in licenses and attracting the broadest pool of employees during

Moving forward now will ensure the District has funds available to continue our bond projects over the next 18-24 months as we complete the Facilities Master Plan update and prioritize projects. Waiting could impact our ability to obtain favorable rates. We just completed our bond ratings for the refinancing and were affirmed with the double-A rated category. The District's strong bond ratings could potentially be impacted in the coming month based upon the State budget situation due to COVID-19 so the timing is right for a sale. In addition, the District is able to realize transactional efficiencies by aligning the new issuance with the refunding transaction.

With the Board approval of the new sale resolution on May 6th we will be able to take the signed resolution to the County Board of Supervisors meeting on May 12th for their approval. Because the District is qualified, the Educam

May 20th – Approval of TRAN resolution for June cash flow due to State deferrals

May 20th – Discussion of possible Parcel Tax in November to mitigate future cuts

June 10th – Public hearing and approval of initial 2020-2021 Budget (we will very likely not receive full State budget information at the May Revision and will have an “August Revision” which may require a new 45-day budget revision in September (similar to what we did last year with revisions to both expenditures and revenue)

The June budget will likely NOT have a

Frequently Asked Questions

1. Are children who are still receiving school meals through COVID-19 emergency feeding sites eligible to participate in P-EBT?

Response: Yes. P-EBT benefits are in addition to, not in lieu of, free and reduced-price meal benefits. Children who receive P-EBT may still continue to receive meals at COVID-19 emergency sites.

2. Does a child's immigration status impact their ability to participate in P-EBT?

Response: No, P-EBT is a program that is affiliated with free and reduced-price meal eligibility. Similar to school meal programs, there are no restrictions by immigration status associated with P-EBT. P-EBT is not the same as CalFresh or Food Stamps.
