

West Contra Costa Unified School District

West Contra Costa Unified School District

Below you will find student ages 12+ vaccination status update as of March 2, 2022. Please note that the numbers have changed since our Board presentation which was based on data from February 28, 2022. This change is due to students turning 12 years old and changes in vaccination status. We are unable to provide ELD levels in this report at this time.

**Vaccination Status by Ethnicity**

Ethnicity	Medical	No plan for	Total	Vaccination Status	
				Fully vaccinated	Fully vaccinated
