	Korematsu Middle School	

Korematsu Middle School is home to one of the most ethnically and socio-economically diverse student bodies in the Bay Area, a feature we consider a great strength. Our more than 535 students reflect the communities of Korematsu's feeder elementary schools.

Korematsu offers rigorous academic programming that is designed to meet the needs of all students. Our standards-based curriculum is geared toward helping every student achieve at or above grade level in all subjects.

We have advanced courses for Gifted and Talented students. We also offer a Dual Immersion Spanish language program to qualified students, with the goal of creating bilingual, bi-literate, global citizens who will be able to navigate and participate in our evergrowing global economy. Students in need of additional support to strengthen their academic skills are enrolled in our intervention program. Our English Learners Department offers English Language Development classes and Specifically Designed Academic Instruction in English (SDAIE) in core subjects to our English Learner students. For students with special needs, we offer special education programs (severely handicapped, non-severely handicapped, resource specialist, hearing impaired and speech) to support specific identified needs of each student. In addition to the core curriculum, students at Korematsu can take advantage of a variety of opportunities including our excellent band program, art, Spanish Language, computers, drama, and leadership.

Korematsu Middle School models a safe, inclusive, student-centered community that actively supports high levels of academic and social success. All members of our community build respectful relationships to collaborate and ensure that all students become responsible, confident and enthusiastic learners who fulfill their individual potential.
