Lake Hementary has limited addition space for assemblies, the band program, and conferences. For example, many district personnel visit the school and require a private, quiet space for testing students and meeting with parents. The playground space is adequate in size, but the basketball and kickball areas have not been maintained. We have allocated MRAD funds to develop these playground areas including a soccer field for students. We also have allocated MRAD funds and created a pathway for community members to use during the school day so that the playground is safe and enclosed for students. Parents have played a very active role in improving our facilities this includes painting the exterior of the school and painting the multi-purpose room with district support. We plan to continue this partnership to beautify Lake School for our students. We are working with the district for the repairs necessary for an older structure.
