#### Opportunities for Parental Involvement (Most Recent Year)

Valley View Bementary is proud of its numerous parent volunteers and has developed many opportunities for parent involvement. Parent volunteers that have their Volunteer Badge work in the classrooms and assist with school-wide activities. Visitors are welcome and must check in with the office. Parents are informed of events and activities through regular voice and/or written communications, our school's website, the Valley View Community Website and a monthly calendar.

Valley View Bementary does not have a Parent - Teacher Association (PTA), but is the "friend of" the Valley View Parents' Qub (VVPC), a registered 501 (c) (3) organization: The VVPC hosts community building activities and raises funds for school - wide programs designed to support the academic needs of all students; including school-wide assemblies, music curriculum for all students, intervention and enrichment programs, field trips and transportation. The VVPC meets monthly with a teacher representative and the principal in attendance. Valley View also holds Family Math Night, Literacy Night, Science Night, and The Arts Night.

School Ste Council (SSC): Every elementary school must have a School Ste Council composed of five parents or community members, the principal, three dassroom teachers, and one other staff member (Education Code Section 52852). The role of the Valley View SSC is to empower elected members to work democratically to improve student achievement and provide leadership and accountability for closing the achievement gap.
