known as criminal gangs. The Board of Education has determined that certain gangs (also known as street gangs) are operating in and around schools within the West Contra Costa Unified School District.

These gangs are responsible for the wearing of clothing, jewelry, or items that are symbols of gang membership. These symbols include, but are not limited to, clothing, jewelry, or items that are symbols of gang membership.

Examples of these symbols include, but are not limited to, clothing, jewelry, or items that are symbols of gang membership. These symbols include, but are not limited to, clothing, jewelry, or items that are symbols of gang membership.

Examples of these symbols include, but are not limited to, clothing, jewelry, or items that are symbols of gang membership. These symbols include, but are not limited to, clothing, jewelry, or items that are symbols of gang membership.

Because gang-related activities are a threat to the safety of students and staff, the change in the school site policies is necessary to ensure the safety of all students and staff.
