Assessing Prioritization and Incorporating Measure R Timeline

Community Survey

Draft survey is being completed

Survey will ask

- The level of importance each of the 2016 criterion should be have today

- Additional criteria that should be considered

- The desire for full rebuild projects verses modernizations

- Demographic information about the responder to understand the reach of the survey

Survey to be issued at the beginning of September

A dedicated web page is being created to provide the latest updates in the FMP process
